

Meier Motors GmbH - Maintenance & Restoration

BECOME PART OF OUR TEAM

The Fascination of Aviation – Tradition Meets Technology

At MeierMotors, we stand for passion, precision, and a love of aviation.

As a company specializing in the maintenance, restoration, and servicing of aircraft – especially vintage aircraft – we are expanding our team and looking now for dedicated and motivated employees for the following positions:

- **Aircraft Mechanic** – General Aviation & Vintage Aircraft Maintenance
- **Aircraft Mechanic** – Vintage Aircraft Restoration
- **Sheet Metal Worker** – Maintenance & Restoration

What you should bring in:

- Experience in general aviation or aviation industry
- Passion and enthusiasm for the craft and historic aircraft
- Good written and spoken English skills
- Independent, structured, and solution-oriented working style
- Team spirit, reliability, and a sense of responsibility

What we offer:

- Unique projects on historic and modern aircraft
- A collegial & motivated team with a flat hierarchy
- Modern work environment with a traditional flair
- A secure job in a growing company in the aviation industry
